## ANNOUNCEMENT

The 2015 MTAP-DepEd Saturday Program in Mathematics for Regular Students\* will be conducted on six (6) Saturdays from July 25 to August 29, 2015\*\*. The sessions will be for the 25th to the 85th percentile of the class at each grade level, Grade 1 to Grade 10. A Center may opt to take participants only from Grade 3 for the Regular Program. The classes will be from 8:00 to 12:00 noon. Students are required to attend in **uniform and with their school ID**. In case the uniform is in the wash, students may attend in their P.E. uniform.

There will be a fee of ₱200.00\*\*\* for the whole series of sessions which may be paid at any Center to the contact person indicated on or before July 18, (October 3 for the Talented) Saturday. Strict adherence to the deadline is necessary to prevent any disorder and waste of time in organizing classes on the first day. Drop-ins disrupt classes and often make classes too big for a class. Students may choose any Center convenient for them.

The program aims at providing students the opportunity to do mathematics with some open-problem solving without the threat of tests, giving students an intensive review of the material they covered in the previous year and the first weeks of this school year to cope more readily with lessons this year, and prepare the Grade 6 and Grade 10 students for entrance exams for Grade 7 and College respectively.

[Write the names of the Centers (Schools) with the names of Coordinators here.]
